Our scheduled calendar of events is as followed for the year.

- Achievement Night August 27
- Food Fiesta November 12
- Clover Leadership Day Jan 21
- County Field Day March 11
- 4-H potluck during SBCF
- Record Book Workshop June 24th

Achievement Night will be August 27th at Etiwanda Creek Park. We will have dinner available. Registration will be out by July 23rd.

The management board is getting some updates. We are required to have 50% youth participation on the board by the end of the year. This is a great way for senior members to get some leadership skills and have a say.

There are several open board positions. If you are interested or have questions, please fill out an application and submit it to ewatson@ucanr.edu.
